

“Jon does a great job with his patients, especially those suffering from neck, back, and shoulder injuries, as well as vestibular disorders. He divides his time between two clinics, and enjoys being in both communities.”
— Chris Leck, CEO

Jon Otto

PT, DPT, Cert. DN
Franklin Pierce University,
Goodyear, AZ — 2016

Jon grew up in Riverton Wyoming. Prior to becoming a Physical Therapist, Jon was a commercial pilot and flight instructor in Billings and worked in both the Wyoming and Arizona Air National Guard. He graduated from University of Wyoming with a Bachelors in Kinesiology and Health Promotion in 2013 and completed his Doctorate in Physical Therapy with Franklin Pierce University in Goodyear, AZ.

Jon most enjoys working with patients suffering from neck, back and shoulder injuries as well as post-surgical care.

Jon and his wife Jamie have two daughters, Hailee and Riley, and an infant son Ryan.
